Welcome to Enphase Energy Inc.’s 2020 Annual Meeting of Stockholders. In order to provide a fair and informative Annual Meeting, we ask for your cooperation in observing the following rules and procedures.

1. Because this is our Annual Meeting of Stockholders (the “Annual Meeting”), only those stockholders who held shares of common stock in the Company as of the close of business on March 23, 2020, the record date for the Annual Meeting, or their duly authorized proxies, may submit questions and vote at the Annual Meeting until the polls close. To vote or submit questions, please login as a stockholder by entering the 16-digit control number you received with your proxy materials.

2. The Chair will exercise his judgment on any procedural matters not addressed by these Rules of Conduct.

3. **You need not vote at this meeting if you have already voted by proxy.** If you have voted your shares prior to the start of the Annual Meeting, the Company’s Inspector of Elections has already received your vote, and unless you wish to revoke or change your vote, no further action is required from you at the meeting.

   The business of the Annual Meeting will be addressed as outlined by the Company’s General Counsel and Corporate Secretary and as set forth in the Agenda.

4. Questions about any of the proposals presented at the Annual Meeting may be submitted in the field provided in the web portal. We will answer appropriate questions on any matters to be voted on by the stockholders at the Annual Meeting before the voting is closed. We will also hold a brief Q&A session after the company presentation after the formal portion of the meeting has concluded.

5. To allow us to answer questions from as many stockholders as possible, we kindly request that Stockholders limit their questions to one topic per question and to one question per Stockholder.

6. Recording of this meeting is prohibited. A webcast playback will be available for one year on the Events section of our investor relations website found at investor.enphase.com starting 24 hours after the conclusion of this meeting.

7. The purpose of this meeting is to permit stockholders to submit questions and learn more about Enphase Energy, Inc. Therefore, we will not address comments or questions that are:
   - not of interest to the stockholders generally;
   - irrelevant to the business of the Company or to the business of the Annual Meeting;
• related to material non-public information of the Company;

• related to personal grievances;
• in reference to individuals or otherwise disrespectful;
• disruptive or in bad taste;

• out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by CEO or Corporate Secretary.

8. If there are any matters of individual concern to a shareholder and not of general concern to all shareholders, or if a question posed was not otherwise answered, such matters may be raised separately after the meeting by contacting us through our Investor Relations website at investor.enphase.com.

9. In the event of technical difficulties or other disruptions of the Annual Meeting, the Chair may adjourn, postpone, recess, or expedite the Annual Meeting, as appropriate.
