

InterDigital, Inc. 2018 Annual Meeting of Shareholders
Thursday, May 31, 2018, 11:00 AM EDT

Virtual Meeting Access Information

General Information:

- Shareholders of record as of the close of business on April 6, 2018, may participate in the virtual annual meeting at IDCC.onlineshareholdermeeting.com.
- To participate as a shareholder in the virtual annual meeting, you will need to have your 16-digit control number.
- The control number can be found on the proxy communications (Proxy Card, Notice or Voting Instruction Form) you received in the mail.
- You should allow yourself 5-10 minutes prior to the start of the meeting to log in.
- You may call 855-449-0991 (international: 720-378-5962) beginning at 10:30 AM EDT the day of the meeting with questions on how to attend and participate.

Shareholders who have elected Electronic Delivery:

- If you have elected to receive electronic delivery of your proxy materials (i.e., you receive your proxy communications by e-mail), you will also need your 4-digit PIN created at the time of enrollment.
- You will be prompted to enter your PIN after you enter your 16-digit control number.

How to obtain your Control Number if you do not have it:

- If you are a registered shareholder, you may call 855-449-0991 (international: 720-378-5962) beginning thirty minutes prior to the start of the meeting to retrieve your 16-digit control number.
- If you hold your shares through a bank or broker, you will need to contact your bank or broker to obtain your 16-digit control number.

How to obtain your PIN if you do not have it:

- If you have your 16-digit control number, you may go to www.proxyvote.com to retrieve your PIN. After you enter your control number, you will find a “Forgot PIN” link next to the PIN entry section.
