
RULES OF CONDUCT

INTERDIGITAL, INC. Annual Meeting of Shareholders Thursday, May 31, 2018 11:00 a.m.

1. Every shareholder wishing to attend, vote or ask questions during the 2018 Annual Meeting of Shareholders will have an opportunity to do so by following the rules of conduct.

2. Only shareholders as of the close of business on April 6, 2018, may submit questions and vote while attending the meeting via the internet. Shareholders will need to enter the 16-digit control number received with their proxy materials to demonstrate proof of stock ownership. Shareholders who have elected to receive electronic delivery of their proxy materials will also need the four-digit PIN established at the time of enrollment in order to log on and participate in the meeting.

3. The business of the meeting will be taken up precisely as set forth in the agenda.

4. If a shareholder has a comment about one of the matters to be acted upon at the meeting, such comment may be made via the web portal and, if appropriate, will be shared after such matter has been presented.

5. In order for the business of the meeting to be accomplished in a timely manner, comments on the matters to be voted upon at the meeting will be limited to a total of thirty (30) minutes.

6. If a shareholder has a question about any matter other than those being acted upon at today's meeting, such question should be submitted in the field provided in the online meeting tool.

7. During the question and answer session at the end of the meeting, questions received from online attendees will be read aloud and answered as time allows.

8. Shareholders should make their questions succinct, and limit themselves to one topic per question. Questions from multiple shareholders on the same topic or that are otherwise related may be grouped, summarized and answered together.

9. The questions, comments and/or constructive criticisms of each shareholder are welcome, but conducting the business set out in the agenda, for the benefit of all shareholders, will be paramount. The company does not intend to address any questions or comments that are, among other things:

- irrelevant to the business of the company or to the business of the meeting;
- related to material non-public information of the company;
- related to personal grievances;

- derogatory references to individuals or that are otherwise in bad taste;
- repetitious statements already made by another shareholder;
- in furtherance of the shareholder's personal or business interests; or
- out of order or not otherwise suitable for the conduct of the meeting as determined by the Chairman or Corporate Secretary in their reasonable judgment.

10. If there are any matters of individual concern to a shareholder and not of general concern to all shareholders, or if a question posed was not otherwise answered, such matters should be raised separately after the meeting by e-mailing 2018ASM@interdigital.com.

Thank you for your cooperation and for joining the 2018 Annual Meeting.
