

RULES OF PROCEDURE
2020 ANNUAL MEETING OF STOCKHOLDERS
LAM RESEARCH CORPORATION

We welcome you to the 2020 Annual Meeting of Stockholders of Lam Research Corporation (the “**Company**”). In the interest of having a fair, informative, orderly and constructive meeting, the following procedures will apply:

1. The business of the meeting will follow the order shown on the Agenda, which is available to all attendees at the meeting. Stockholders need not vote at this meeting if they have already voted by proxy. However, if a stockholder wishes to revoke their proxy and vote at the meeting, or if they have not voted, they will have the opportunity to vote before the polls are closed.
2. Only stockholders of record as of September 4, 2020 (the “**Record Date**”) or their proxy holders, who have logged in using the 16-digit control number they received with their proxy materials, are entitled to vote at the meeting or submit questions or comments while participating in the meeting.
3. If a stockholder has a question or comment about a proposal to be voted on by the stockholders, such question or comment may be submitted in the question field provided in the web portal at or before the time the proposals are before the meeting for consideration. We will answer timely-received questions regarding proposals before the voting is closed.
4. Following adjournment of the formal business of the Annual Meeting, the Company will address appropriate general questions from stockholders regarding the Company. Such questions may be submitted in the field provided.
5. To allow us to answer questions from as many stockholders as possible, we will limit each stockholder to two questions. Questions should be succinct and cover only one topic per question. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together.
6. Stockholder questions and comments are welcome, but conducting the business set out in the Agenda for the benefit of all stockholders will be paramount. The Company does not intend to address any questions or comments that are, among other things:
 - irrelevant to the business of the Company or to the business of the Annual Meeting;
 - related to material non-public information of the Company;
 - related to pending or threatened litigation;
 - related to personal grievances;
 - derogatory references to individuals or that are otherwise in bad taste;
 - repetitious of statements already made by another stockholder;
 - in furtherance of the stockholder’s personal or business interests; or
 - out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chairman or Secretary in their reasonable judgment.
7. If there are any matters of individual concern to a stockholder and not of general concern to all stockholders, or if a question posed was not otherwise answered, such matters may be raised separately after the Annual Meeting by contacting Investor Relations at Investor.Relations@lamresearch.com.
8. Recording of the Annual Meeting is prohibited. A webcast playback will be available at www.virtualshareholdermeeting.com/LRCX2020 approximately 24 hours after the meeting.
9. The Chairman of the meeting has the authority necessary to preside over the meeting, and to make determinations with respect to the conduct of the meeting and procedures to be followed during the meeting.
