In the interest of an orderly meeting, we will conduct the meeting in accordance with the following procedures:

1. The business of the meeting will be conducted as set forth in the Agenda.
2. Only stockholders of record at the close of business on March 18, 2019 (or their proxy holders) are entitled to address the meeting. Stockholders (or their proxy holders) should not address the meeting until recognized by the Chairman. Clearly state your name and whether you are a stockholder or proxy holder.
3. Any substantive stockholder proposals or nomination for membership on the Board during the meeting will not be entertained.
4. If a stockholder has a question or comment not related to an Agenda item, an opportunity will be provided to present proper questions and comments at the time provided in the Agenda.
5. Stockholders should confine comments to one subject at a time in order to give other stockholders an opportunity to speak on that subject. Stockholder questions must be pertinent to the particular issues before the meeting. The meeting is not to be used as a forum to present general economic, political or other views that are not directly related to the business of the Company. Follow-up questions will be allowed only if time permits and after all other stockholders wishing to ask questions have done so.
6. The Chairman may limit the time allowed for each question or comment to two minutes to provide all stockholders an opportunity to be heard.
7. Consistent with the goal of conducting an orderly meeting, the Chairman will endeavor to recognize all stockholders wishing to speak. Please permit each speaker the courtesy of concluding his or her remarks without interruption.
8. Any matters of individual concern, such as personal business, grievances or matters that do not relate to the business of the Company, should be raised after the meeting. Representatives of the Company will be available to respond to these matters.
9. Stockholders should not repeat statements already made by other stockholders.

10. The views, constructive comments and criticisms of all stockholders are welcomed, but the purposes of the meeting and the Agenda will be observed at all times. The Chairman reserves the right to stop irrelevant discussions and proposals that are related to the conduct of the Company's ordinary business operations.
11. Anyone not complying with these procedures or otherwise disrupting the meeting may be required to leave the virtual meeting.

Thank you for your cooperation.
