In fairness to all stockholders attending the Annual Meeting and in the interest of an orderly meeting, we ask that you honor the following rules of procedure:

1. The Agenda indicates the order in which matters will be presented at the Annual Meeting.
2. The only business to be conducted at the Annual Meeting are the matters set forth in the Notice of Annual Meeting of Stockholders and Proxy Statement dated May 1, 2024.
3. Only stockholders of record as of April 16, 2024, or their proxy holders, may submit questions and vote at the meeting.
4. Questions and comments germane to the Annual Meeting and the Company are welcome from all stockholders and should be submitted before or during the Annual Meeting through the interface provided on www.virtualshareholdermeeting.com/CLDX2024. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized, and answered together. To allow time to address questions from multiple shareholders, we will respond to up to two questions submitted by a single stockholder. The Chair reserves the right to limit the time taken to respond to questions in the interest of assuring that multiple stockholders have an opportunity to express their views. Questions pertinent to meeting matters that cannot be answered during the Annual Meeting due to time constraints will be answered, as appropriate, in the Investor Relations, Events and Presentations Section on the Celldex website at www.celldex.com. The answers will be available as soon as practical after the meeting and will remain available until one week after posting.
5. There are no stockholder proposals to be presented.
6. If you encounter any technical difficulties with check-in or during the meeting, please call the technical support number that will be posted on the virtual shareholder meeting log-in page. In the event that technical issues delay or disrupt the Company’s ability to host the Annual Meeting for longer than 30 minutes, and accordingly the Annual Meeting has not convened by 9:30 a.m., Eastern time, the Company will issue a press release regarding a later date and time for convening the meeting. In the event of disorder, technical malfunction, or other significant problem that disrupts the Annual Meeting, the Chair may adjourn, recess or expedite the meeting or take such other action that the Chair determines is appropriate in light of the circumstances.
7. Recording of the meeting is prohibited.

We appreciate your participation. Your fellow stockholders will appreciate your courtesy in observing these procedures.
